IBM WATSON DEVICE CREATION

The screenshot displays the IBM Cloud console interface. At the top, there are browser tabs for 'IBM-Project-29285-1664513596', 'IBM-Project-11164-1659274470', and 'Service Details - IBM Cloud'. The address bar shows the URL 'cloud.ibm.com/services/iotf-service/crn%3Av1%3Abluemix%3Apublic%3Aaio%3Aa%2Fcd09e5fcd3580415684c620399c304093%3A10ccddcc-5a6b-482...'. The main header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'sarguna H's Account'. The 'Resource list' section shows 'Internet of Things Platform-0s' with a green 'Active' status and an 'Add tags' link. The left sidebar contains 'Manage', 'Plan', and 'Connections' options. The main content area features a large graphic of a central square with four curved lines extending from its corners, each ending in a small circle. To the right of the graphic, the text reads 'Let's get started with IBM Watson IoT Platform' followed by 'Securely connect, control, and manage devices. Quickly build IoT applications that analyze data from the physical world.' Below this text are two buttons: 'Launch' and 'Docs'. Further down, a section titled 'Ready for the next level?' introduces the 'IBM Watson IoT Platform Journey'. This journey is represented by a horizontal timeline with three stages: 'Lite', 'Non-Production', and 'Production'. The 'Lite' stage is marked with a checkmark and includes the description 'The Lite service plan provides a lightweight development environment to get you started'. The 'Non-Production' stage is marked with a circle and includes the description 'The Non-Production service plan is a full-featured, fully-integrated offering that enables'. The 'Production' stage is marked with a circle and includes the description 'The Production service is a fully managed SaaS offering that enables you to manage and analyze'. At the bottom of the console, there is a Windows taskbar with the search bar 'Type here to search' and various application icons. The system tray shows the date '14-11-2022' and time '20:57'.
